The actual amount may vary due to a number of factors. When freight is Shipped prepaid, the Manufacturer will incorporate the price into the basic bid and will be responsible for the charges. Crating is not included. Please call for pricing. 70 lbs or less will go U.P.S. if size allows. 70 lbs. or more will go via truck. Some Products are shipped KD.

Heat Treated Crates are required for out of country shipments and will be quoted separately and added to the quote/invoice.

Damaged Shipments: We inspect all items prior to shipment. You should also inspect the items before accepting delivery. If damage has occurred, it should be noted on the freight bill and a claim filed with the carrier by the party paying the freight bill. We take special care to insure the safe arrival of your merchandise, our responsibility for damages ceases when the shipment is accepted by the carrier. Refusal of an entire shipment for partial damage will make claim filing and replacement more difficult.

Products are fully insured: However, Jesco shall not be liable under any circumstances for consequential or incidental damage including, but not limited to, labor cost or loss-of profits arising in connection with the use of, or inability to use products purchased from Jesco.

Special or Large orders: Orders must be in writing. These orders are not cancelable or returnable.

Engineering changes: We reserve the right to make any changes at any time without notice.
