Professional Grade Quality....Built to Last....Made in the USA

Valley Craft Industries, Inc. designs, develops and manufactures Professional Grade material handling and storage solutions, including a broad array of proprietary and custom products.

Valley Craft was established in 1953 when Carl Weinmann introduced the first hand truck with a brake. Over the last six decades, Valley Craft has grown to become a world class manufacturer known for its expertise in producing rugged and versatile hand trucks, carts, trailers, portable lifts, hydraulic drum handling devices, and storage equipment.

At Valley Craft, we take pride in our heritage of building high quality American-Made products to handle and store materials more safely, more securely, and more efficiently.

On the shores of beautiful Lake Pepin, in Lake City, Minnesota, Valley Craft is staffed by a committed and loyal team of employees - fully a third of our associates have been with the company for more than 25 years. We think, feel, and act like a family and, like a family, we share core values:

- Respect - for our customers, our suppliers, our community, and each other.**
- Integrity - personal and professional integrity in everything we do.**
- Openness - bad news gets worse with age - we surface problems quickly and get help.**
- Enthusiasm - we care about what we're doing - it's more fun and we do better work.**
- Commitment - to continuous improvement in every single thing that we do.**

A family company since its inception more than 60 years ago, Valley Craft is currently led by its third private owner - Minnesota businessman Dennis Campbell, who acquired substantially all of the assets of Valley Craft Inc. from Liberty Diversified International in 2012.

DRUM HANDLING

With operator safety as our top priority, Valley Craft leads the industry with its innovative drum handling equipment. Our products are designed to reduce the risk of injury by making every task safer, more efficient and accomplished with less effort. From simple, mechanical units to self-powered, hydraulic attachments and everything in between, Valley Craft has the solutions for all your drum handling needs.

Fork Lift Attachments

Make every job more efficient with less effort and more productivity. Valley Craft's line of hydraulic and mechanical fork lift attachments make the handling of steel, plastic, and fiber drums safe, effective, and extremely easy. Several options are available to choose from, based on your specific needs.

HYDRAULIC

Jaw Size: 9 x 15" Handles Cylinder Diameters: 18" - 28" Load Capacity: 2,000 lbs.

Ultra Grip III

Clamp, Rotate, and Tilt

Handles most drum types with a single set of jaws

Three fully hydraulic proportionally controlled functions activated by an ergonomic hand-held pendant"

Model No.	Description	Dimensions	Product Weight	Load Capacity	Power Source	Rotate Function	Forward Tilt	Wireless Remote	Corded Handheld	List Price	1-2	3 or more
F89815A5	Ultra Grip III Self-Powered	69" L 34" W 19" H	834	2000 lbs	Self	Yes	Yes	Yes	Yes	\$10,705	\$8,564	\$8,029

Maxi Grip

Clamp and hold

Handles most 18"-28" diameter plastic, steel and fiber containers

Increase efficiency of basic moving, stacking and palletizing actions"

Model No.	Description	Dimensions	Product Weight	Load Capacity	Power Source	Rotate Function	Forward Tilt	Wireless Remote	Corded Handheld	List Price	1-2	3 or more
F89705	Maxi Grip II Self-Powered	60" L 34" W 19" H	525	2000 lbs	Self	No	No	No	Yes	\$5,411	\$4,329	\$4,058
F89704	Maxi Grip II Lift Truck Powered	60" L 34" W 19" H	205	2000 lbs	Lift Truck	No	No	No	No	\$2,891	\$2,313	\$2,168

Skid Steer Attachment

The Valley Craft Skid Steer Attachment allows the operator to handle drums and other cylinders at reclamation areas, construction landfills and any other place drums and skid-steer loaders are necessary. The attachment hydraulically clamps and dumps drums 18-28" in diameter. Constant hydraulic pressure secures the load, making the unit excellent for salvage operations. Includes rubber-lined jaws, hoses and standard 1/2" quick couplers.

Model No.	Description	Dimensions	Product Weight	Load Capacity	Power Source	Rotate Function	Forward Tilt	Wireless Remote	Corded Handheld	List Price	1-2	3 or more

Portable Lifts

Valley Craft offers a full line of Portable Lifts to meet all your drum handling and material handling needs. A powered drum handler can provide substantial cost savings by eliminating the need for fork lifts with several options available for smaller and simplified mechanical lifts. All options offer easy maneuverability and reduce the risk of injury for drum handling personnel.

Falcon

Economic multi-purpose positioner is manually-propelled with a single post designed to provide high visibility. This light-weight unit only weighs 95 lbs. and efficiently performs medium duty and in between handling tasks. Tool-less, quick release back-plate allows users to quickly and easily change attachments to perform a variety of tasks.

15" Max Lift Travel

Universal attachments available

8" rear swivel caster and (2) 3" front fixed casters

Model No.	Description	Dimensions	Product Weight	Load Capacity	Container Diameter	List Price	1-3	4-6	7 or more

Drum Dumpers

Constructed of heavy-gauge carbon steel, Valley Craft's line of Drum Dumpers offers you a heavy duty, versatile, and cost-efficient addition for your drum handling facility. Single-stage or dual-stage Drum Dumpers safely lift and pour drums. Available in 1,000-lb. or 1,500-lb capacities with dump heights ranging from 36 inches to 120 inches at a 45-degree dump angle. User safety is our first priority, and each unit includes a NEMA12 power up/gravity down power unit with adjustable flow control to safely lower chute to its down position.

MATERIAL HANDLING

Carts and Trucks

Valley Craft's line of carts and trucks make storage and delivery of goods and tools safe, effective and efficient. Constructed of heavy duty materials and superior workmanship, these carts and trucks are built to withstand the rigors of industrial environments, but made to look good in the office or in front of customers.

PLATFORM TRUCKS

Hi-End Platform Trucks

Hi-end platform truck is ideal for pick-up and transport in warehouses, building centers, grocery stores and lumber marts. C-channel frame prevents truck from buckling when carrying heavy loads. 51-inches high removable end rack. Natural tilt allows truck to turn on its own radius. Rolls on four 4" rubber casters and two 8" molded-on casters.

MATERIAL HANDLING

EZY-Rol Platform Trucks

EZY-Rol lightweight, non-corrosive aluminum platform trucks are constructed for versatility and reliability. Available with exclusive two wheel hand brakes for ultimate control. This truck offers operators multifaceted opportunities for increased efficiency. The diamond treadplate deck on the EZY-Rol platform truck prevents slipping and stabilizes the load. The handle is constructed of steel tubing and can be inserted at either end of the truck. Rubber casters are recommended mainly for use on smooth, hard surfaces. Made of all-welded, aluminum, channel frame.

WASTE AND CHIP TRUCKS

Tapered tilt Trucks

Tilt trucks are manufactured to handle bulky loads with stability and ease. The tapered end style of these uniquely designed units make them adaptable to a variety of material handling needs. Tilt trucks are constructed of 14-gauge steel with leak-proof solid welds. The running gear consists of two fixed casters reinforced by steel tubing, and one or two swivel steering casters. Tapered ends allow tilt truck to adapt to virtually any material handling situation, and provide for safe and easy loading and unloading. Hemmed lip around the top edge of the truck provides reinforcement with bulky loads, and steel handles aid in maneuvering trucks. Rolls on 8-inches molded-on solid casters.

EZ DUMP HOPPER SYSTEM

The EZ dump hopper system auto lock hopper is made of 14-gauge steel and features watertight continuous welds. 1/2-cubic yard bulk capacity. Includes two fixed and two swivel 6" casters. EZ dump hoppers have tapered fronts to help initiate dumping. Available in 2000 lbs limitation of the attachment. The EZ dump hopper system increases productivity and lowers overhead expenses by reducing employee downtime and decreasing the number of fork lifts needed to complete jobs. Mobile hoppers allow employees to move aside fully loaded hoppers to await fork lift pickup while rolling in an empty hopper to continue production uninterrupted.

MATERIAL HANDLING

Trailer System

Valley Craft's Precision-Track Quad Steer Trailers offer versatile customization to meet the most demanding transport requirements. Our unique design enables true tracking within 2 inches, creating one of the most precise tracking trailers in the industry. The trailers wrap around corners and accurately track in the smallest footprint possible with virtually no drift, decreasing the amount of space needed for trailer paths. Our trailers also feature a simple, low maintenance design with the ability for customization to meet specific application needs. The trailer options we offer empower customers to build their Precision-Track Trailer to meet their specific needs.

Prices are subject to change without notice.

Payment Terms:

Payment terms are net 30 days from date of invoice, and any unpaid balance shall be subject to a late charge of 1.5 percent per month thereafter. Minimum order policy: net \$25.

Returns:

Valley Craft ships only first-quality merchandise after thorough inspection in strict compliance with customer orders. There is a 30-day return policy on all standard parts and products. All returns must have prior written factory approval. Returns made otherwise will not be accepted at the receiving dock and may result in customer liability for carrier storage charges. Authorized return merchandise will be subject to a 25 percent restocking charge plus applicable freight charges. Return authorization will contain instructions regarding disposition and shipping address to be used for return merchandise.

Custom Products (per quote specifications):

Products especially made to meet customer specifications are not returnable. All special orders will be acknowledged. Be sure to check our acknowledgement of order against your requirements and report any discrepancies immediately. Valley Craft will not be responsible for incorrectly manufactured custom products that meet customer approved order acknowledgement specifications. Shipments will be invoiced at prices effective upon receipt of order, unless prior arrangements have been made for shipment beyond normal lead time.

Freight:

Shipments are made FOB origin unless otherwise quoted. Merchandise is shipped either FOB origin freight collect, or FOB origin freight prepaid and added to customer invoice.

Freight Claims:

It is the receiving party's responsibility to make the proper notations on freight bills at the time of receipt of "short shipments" or damaged merchandise. It is also the receiving party's responsibility to initiate all claims with delivering carriers, and follow up on such claims until a satisfactory settlement is made with said carrier. Valley Craft Industries, Inc., is not responsible for short shipments due to loss by the carrier and/or damage in transit.

Warranty & Limitation of Liability:

Valley Craft products are warranted for a period of one (1) year from date of shipment from Valley Craft's plant to be free from defects in material and workmanship under correct use, normal operating conditions and proper application. However, parts of other than Valley Craft manufacture are subject ONLY to the original manufacturer's warranty. Valley Craft's obligation under the warranty shall be limited to the repair or exchange, at Valley Craft's option, FOB Valley Craft's factory, of any Valley Craft product or part which proves to be defective as provided herein. Valley Craft reserves the right to either inspect the product at Buyer's location, or require it to be returned freight prepaid to the factory for inspection. The warranty contained herein does not extend to goods damaged, or subject to accident, abuse or misuse after shipment from Valley Craft's factory, nor to goods altered or repaired by anyone other than an authorized Valley Craft representative.

Buyer or user shall not alter, modify or use a Valley Craft product for anything other than its intended function. Valley Craft shall not in any way be responsible for the consequences of any such alteration, modification or misuse. VALLEY CRAFT MAKES NO EXPRESS WARRANTIES OTHER THAN THOSE WHICH ARE SPECIFICALLY DESCRIBED HEREIN. Any description of the goods sold hereunder, including any references to Buyer's specifications and any descriptions in catalogs, circulars and other written material published by Valley Craft, is for the sole purpose of identifying such goods and shall not create an express warranty that the goods shall conform to such descriptions. THIS WARRANTY IS EXPRESSLY IN LIEU OF ALL OTHER WARRANTIES, EXPRESS OR IMPLIED. THERE ARE NO IMPLIED WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. THIS WARRANTY STATES VALLEY CRAFT'S ENTIRE AND EXCLUSIVE LIABILITY, AND BUYER'S EXCLUSIVE REMEDY FOR ANY CLAIM FOR DAMAGES IN CONNECTION WITH THE SALE OR FURNISHINGS OF VALLEY CRAFT PRODUCTS, THEIR DESIGN, SUITABILITY FOR USE, INSTALLATION OR OPERATION OR FOR ANY CLAIMED DEFECTS THEREIN. VALLEY CRAFT WILL IN NO EVENT BE LIABLE FOR INCIDENTAL OR CONSEQUENTIAL DAMAGES WHATSOEVER, NOT FOR ANY SUM IN EXCESS OF THE PRICE RECEIVED FOR THE GOODS FOR WHICH LIABILITY IS CLAIMED.
